Donation to 2018 Booster Fund

As we close out our 15th year, it is time to make some strategic decisions. It's too easy to become complacent and accept the status quo. That's not what Arts in Bartlett is all about. We want to move ahead and step up our game with exciting initiatives in programming and events.

In 2018, Arts in Bartlett is challenged to build back up its reserves that has been impacted by increased rent and increased competition by other nonprofits for grants and donations. I was told recently by one granting agency that it received four times its usual request for grants this year.

And, we want to be able to pay for high quality entertainers at our June Global Arts Festival and artist receptions, and bring you a variety of professional music and entertainment in our community room. Our fund for scholarships and Budding Talent Grants is low. Here's how you can help:

- **Make an extra donation** with your dues or join at the highest level. Every donor of \$18 (for 2018) or more gets an "I'm an Arts Booster" button.
- **Become a booster** for Arts in Bartlett and its music and art teachers who have a home in our Arts Center. Tell your friends, relatives and neighbors; hand them our brochure and tell them how your family has benefited.
- **Become a volunteer** and give some time and expertise to help us fulfill our mission.
- **See if your company has matching funds** for your membership and donation.
