

Introduction to Drawing

This is an informal but informative way to learn how to sketch and draw. You will learn about the tools, terminology, and the building blocks of drawing. This will give you a good start in what I hope will be your new favorite hobby!

To get the most from this opportunity, you are encouraged to sign up for both classes. Supply fee includes pencils, kneaded eraser and a sketchbook.

Snacks and soft beverages will be provided, or BYOB responsibly.

Bring a friend! This is a stress-free evening of discovery!
